(CORRECTION to previously-submitted comments, placed within brackets ("[]"): Speaking and acting with ALL, ALL, ALL my capacities, INCLUDING AND ESPECIALLY as the Delois Brassell/Delois Albert Brassell Estate Administrator (New York State Surrogate Court (Suffolk County) index number 176A2004, court certificate number 17268, since March 26, 2004, same decedent's estate's registered and assigned D-U-N-S/DUNS (i.e., Data Universal Numbering System) Number is 831823948 and U.S. CAGE (i.e., Commercial And Government Entity) Code is 5PAZ8) and as the Robert James Brassell Estate Administrator (New York State Surrogate Court (Suffolk County) index number 177A2004, court certificate number 17269, since March 18, 2004, same decedent's estate's registered D-U-N-S/DUNS

Number is 962019514 and registered and assigned U.S. CAGE Code is 64WJ9), and after further researching various official et al. websites et al. regarding the following: First: AS SOON AS POSSIBLE, i.e., IMMEDIATELY, NOW, stop and prevent the pathetically-whoring New York Stock Exchange (NYSE) from (further) giving itself away (which it actually is doing) via its (further) selling itself. The same goes for any other United States of America-based exchange even slightly considering such action(s) et al. Second: Make, order a legal consortium, principally composed of JPMorgan Chase & Co. and the Bank of New York Mellon Corporation with Citigroup, Inc., acting as its principal agent, purchase the aforementioned NYSE to keep it within our nation's hands (not counting the NYSE et al. various legitimate, independently-confirmed (as of May 28, 2008) creditors). [Third: U.S. Special Inspector General for the Troubled Asset Relief Program (SIGTARP) and New York State Office of Court Administration (NYS OCA)-actively-registered attorney Neil M. Barofsky (registration number 2757946, admitted to practice in NYS since 1996) is to directly et al. supervise the aforementioned "Second".]

Thank you.
